MONTHLY CHAPTER MEETING

9:30am – 11:30am

Educational Moment: (DDUN)

- The Chairs attended DDUN. DDUN was held on March 18-19, 2024.
- This year’s DDUN celebrated the 21st Anniversary of Delta’s NGO status with the UN.
- Soror International President Elsie Cooke Holmes emphasized that IAI & the other 4 thrusts go together. We were reminded that IAI should be a part of PPD programming.
- IAI donations for the Sustainability Plan are up by 20%.
- We need to be mindful that there are currently 27 international conflicts impacting 6 million women & girls.
- Sorors are encouraged to be global citizens, aiming to eradicate poverty through providing education access and addressing gender inequality and infant mortality.
- There was a panel discussion addressing the current state of women & girls concerning poverty. Women are facing economic disadvantages by being prone to domestic violence, pay inequity, period poverty, the maternal health crisis, racism, and abortion bans.
- Our newest alumnae chapter is West Africa Alumnae.
- A priority of Southwest Region’s Jamaica Alumnae is to educate girls in STEM.
- We need to understand International Social Action by understanding more about what is going on in other countries and how that relates to the 7 Social Action Priorities: 1) Economic justice, 2) Health equity, 3) Reproductive rights, 4) Voting rights, 5) Education, 6) Environmental Justice, & 7) Reimagining Public Safety.

Fun Fact: Mary Help of the Sick Hospital is the oldest IAI Sustainability Project. No patients are turned away, and it has evolved to offer many affordable health services, including laparoscopic equipment and training.
